Who I Am

- Primary Network Administrator of VOI Network Solutions – Winnipeg-based commercial Internet Service Provider and carrier.
- Involved with both Internet Exchanges in Winnipeg.
  - Elected member on the Board of Directors for MBIX.
  - Also involved with the creation and technical operations of WpgIX.
- Avid opensource software user/fanatic, and recently, contributor.

My Life with Nagios

- Running Nagios since ~2006.
    - Mainly for ISP monitoring.
    - Mainly active checks from a central host.
    - Also agent based checks (NRPE,)
- My own network currently runs IPv6/OSPFv3 routing protocol.
    - 2604:4280:d00d::/48
    - Most ciscodude.net/henchman21.net services are IPv4/IPv6 enabled.

Questions / End

- Question & Answer period as time permits.
